CONFIRMATION OF PARISHIONER STATUS FOR IN-PARISH TUITION RATE

The In-Parish Tuition rate is a privilege earned by active, fully participating members of St. Edward, St. George and St. Paul parishes, as well as from those parishes participating in the Rainbow system (St. Therese, St. Joseph, St. James, St. Patrick, St. Mary, Immaculate Conception, Mt. Virgin, St. Peter and Vietnamese Martyrs).

Active, fully participating members are defined as those who are regularly present in the assembly for Sunday Eucharist and who give their time, talent and treasure to build the Kingdom of God in their parish. This means being formally registered in the parish, making an annual stewardship pledge and fulfilling it, participating in the Annual Catholic Appeal and the capital campaign, and helping and participating with the spiritual and social life of the parish.

All families requesting in-parish tuition are required to fill out this form and have it signed and dated by their pastor or his designated representative. The school will regularly check status with the parishes, and families who no longer fulfill the requirements will be billed at the out-of-parish rate.
