Congratulations, you're finished!!!	Let's have some ice cream!					

Name _____ Grade _____ (fall of 2019)

K-4 Math and Reading Summer Challenge

I will write down how many minutes each day that I have read and played math games. I have earned 10 free passes that I can use on those busy summer days. I can use one a week, or save them and use several together if I know my family will have a busy time in the summer. I will read _____ minutes a day and play math games _____ minutes a day. I will return the completed packet to my new teacher on the first day of school, September 3rd in order to attend the ice cream social.

Student's signature _____ Parent/Guardian's signature _____
